ELA - Our ELA teachers are implementing new strategies in our literacy classes. Shelton School District purchased over 20,000 new books for OBJ and our 3 high schools. The books are authentic, rich texts that represent our diverse student population. There are a range of genres, interests, and reading levels. Our teachers are helping students connect with a "just right book." Books are coming home. Students are expected to bring them back every day. **Please encourage your child to read at home.**

LEADERSHIP CLASS - One of Ms. Cliff's Leadership classes traveled to Bordeaux Elementary on Friday to share books with Bordeaux's youngest students. Our OBJ students really enjoyed the opportunity to work with our younger students in the district.

We are building readers and leaders in the Shelton School District.
