Building responsibility, respect, and resilience to inspire academic excellence.

Friday	Oct. 20	Picture Retakes		OBJ
Friday	Oct. 20	Early Release	11:25am	OBJ
Tues.-Fri.	Oct. 24-27	Conferences	11:25am	OBJ

Conferences - Each student's advisory teaching will be sending home a conference sign-up sheet for families to choose a time to meet. Teachers are available to meet in person, on zoom, or over the phone. It is important to meet with each of you on behalf of your child. We want to share the progress your child is making and talk about ways we can partner together to support your child's learning. Please send the conference note back, call the office, or email the teacher to set-up a time.

Scholastic Book Fair - We are having a Scholastic Book Fair this year from October 18 - 27th in the library. When students can choose their own book it empowers them and inspires them on their journey to become lifelong readers. Students will be visiting the book fair during their ELA class. The book fair will also be open during conferences. Thank you for your support in our literacy efforts!

Bayshore Field Trip 7th grade - Our 7th graders will be visiting the Bayshore Preserve this week. There will be two groups of students going each day. One group attends in the morning and the other group attends in the afternoon. Students need to dress for the weather and plan to be outside during most of the trip.

Sports - Football and girls' soccer are finished competing. Co-ed Cross Country has one more meet. If your child is interested in participating in wrestling or girls' basketball, please go to finalforms.com to sign-up. If you are having difficulty with the website please call the OBJ office at 360.426.7991.

LITERACY - Students are reading more each day! It is awesome to see students with a book of their choice reading in class.

Please encourage your child to read at home.

We are building readers and leaders in the Shelton School District!
