Scholastic Book Fair - Thank you for attending our Book Fair this year. Over \$3,000.00 in books and trinkets were sold. All proceeds go towards purchasing books for our library. Our book circulation in our library is up this year compared to last year! This means students are reading more books than the students did last year. Thank you for supporting and encouraging your students to read.

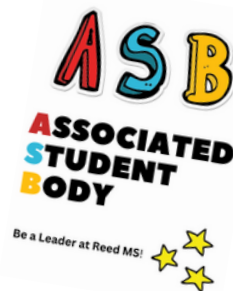

Loteria - Students who made it to class on time to every class period so far this year celebrated with a few games of loteria in the commons during advisory this past week. It was fun for some of us to learn some new Spanish words. Congratulations to all of our students who have zero tardies so far this year!
